“ To Albertas loved ones. Im saddened to hear about her passing. Alberta was always a good friend at church. We walked in the crop walk together made the walk easier. I loved to see how close she was with her grandchildren. Our thoughts and prayers to you all. God Bless Donna and Bill Mackaravitz

“ The 1st time I met Alberta was in 1970, when she did my hair for my senior Prom. After that when I worked at the library, I loved when Alberta called the Reference Desk and I recognized her voice. She was such a joy to talk to and she always told me about the trips her and Jim would take their grandchildren on. She was truly loved by all and will be greatly missed. My condolences and prayers to Jim and the Baggest family.

“ What lovely memories I have of being a little girl and getting to go to Alberta's with my gram! It was the place to be! I'll never forget how lovely she was with my grandmother even coming to the house when my grandmother was too ill to go there. And I have this special memory of her giving my little boy (who is now 23!) his first haircut. A very special person to so many indeed!

“ I used to go into Alberta's when my grandmother (Doris Schildt) got her hair curled every Saturday. Alberta was such a wonderful friend to my gram and was so very dear to the entire Schildt family. My thoughts and prayers are with her family during this time. Memories of Alberta are so near to my heart. What a beautiful person who shined such light!

“ Alberta was a dear person & one who projected love & kindness. She truly touched people with her gentle manner & her sweet nature. I am a part of the Schildt family also, & will surely keep her family in my prayers. If we could all only reflect God's love as Alberta did. May her soul Rest In Peace.
