“ Mr. Joe always had such a smile on his face whether it be on the phone or in person at the outlet. He had a heart of gold and always would find just what my daughter would ask Santa for even if it was discontinued he would find a way. Every year on our trip to the outlet he would give my daughter a lucky scrunchie he would tell her if she was struggling with a skill to wear the scrunchie and she would get it...and as usual it always worked. Thank you mr. Joe for all the smiles you have put on my daughters face you will surely be missed!

“ Shocked and saddened yet the picture tells it all. That IS the Joe we all knew. The picture instantly brings back all the fun memories of the many years that went too quickly while we were all distracted by the not so fun times of our lives in between. Tom and Jean Klucick will never forget that JOE and his great attitude, storytelling, and all around pleasant personality that he delivered faithfully through many years and to many acquaintances.
