“ How lucky our Notre Dame group of friends was to have Pat in our lives. I always looked forward to getting together when I came to town. Pat had such a kind, loving spirit. Always optimistic. Old friends are the best friends and you, Pat, we're among the best. You will always be in my heart. Thank you, Pat, and thank you to our "group of six", for your love and friendship over the years. We have been so blessed that you were in our lives. Peggy Connell
