“ Our deepest sympathy to the Gonzalez family. We will forever miss her company and smile at the birthday parties and holiday get togethers. Her positive outlook on life had an effect on everyone who had the pleasure to be in her company. She was always a joy to talk and listen to and share stories about family and friends.

She will surely be missed.

“ Sara was such a beautiful soul. I remember her asking me what reason I had for missing church when I came into work the next day. She would lecture me for a bit then we would pray and laugh together. She will be forever in my heart and missed dearly.
